Tim Schellberg tims@smithallinglane.com and Lisa Hurst lhurst@smithallinglane.com of Smith Alling Lane, P.S. provide nationwide governmental affair services to PE Biosystems. As part of the firm's representation weekly reports are generated which identify recent state and federal legislation and news articles. PE Biosystems has authorized Smith Alling Lane to make these reports available to anyone that requests them through this web site.

The information presented in these reports does not necessarily reflect the viewpoints of PE Biosystems or Smith Alling Lane, P.S.

The January 22, 2000 DNA report is attached. Relevant summaries are listed below. The report and summaries cover legislative bills that have been introduced in the 2000 legislative session.

These reports are prepared by Tim Schellberg and Lisa Hurst of Smith Alling Lane (253) 627-1091, on behalf of PE Biosystems.

COMMENTS

1. Colorado, Georgia, New Jersey and Washington have all introduced bills to expand the types of felons from whom DNA samples are collected. According to a news article, California is also planning to introduce such legislation, and the New York City police commissioner is calling for DNA samples from all arrestees.

STATE LEGISLATION

(SB = Senate Bill AB/HB= Assembly/House of Representatives Bill)

Forensic DNA

1. California SB 1342 - Post-conviction DNA testing.
2. California SB 1344 & AB 1740 - Appropriates \$225,000 to local communities for forensic DNA purposes.
3. Colorado HB 1216 - Allows indictments against unidentified offenders with DNA evidence.
4. Colorado HB 1166 - Requires DNA samples from: 2nd & 3rd degree burglary offenses upon probation or parole; habitual offenders upon probation or parole; all persons released for Dept. of Correction who are not subject to parole.
5. Colorado SB 121 - For crimes required to submit DNA samples, persons who are in Dept. of Corrections custody, or are on probation or parole for those crimes must also submit.
6. Georgia HB 1108 & SB 318 - Adds murder, assault, battery, kidnapping, car theft, sexual assault, robbery and burglary to DNA testing requirements (to the extent that funds are available.)
7. Georgia HB 1146 - Adds murder, assault, battery, kidnapping, and car theft to DNA testing requirements.
8. Maryland HB 112 - Post-conviction DNA testing.
